

As the STUVA conference, the international forum for tunnels and infrastructure, opens its doors for you on 6th and 7th of December, so will the STUVA-Expo provide you with the opportunity to meet more than 180 renowned exhibitors from Germany and abroad in Stuttgart.

The exhibition can be visited free of charge. To register as a visitor, please use the website stuva-expo.de.

We are already looking forward to welcoming you at our booth C145 in hall 4. Take this opportunity to meet us and get hands-on experiences of our visibility monitor VisGuard and our smoke detector FireGuard.
